RE: ARIZONA-AMERICAN WATER COMPANY - AGUA FRIA DIVISION - SEWER  
HOOK-UP FEE TARIFF REVISIONS (DOCKET NO. SW-01303A-02-0628)

On August 16, 2002, Arizona-American Water Company - Agua Fria Division ("Arizona-American" or "the Company") filed tariff revisions with the Commission. On August 30, 2002, Arizona-American filed a letter in which it agreed to waive the normal 30-day time period allowed to process its filing so the filing could be held for the Commission's September 17 and 18, 2002, Open Meeting. With these tariff revisions, the Company is requesting approval to expand the applicability of its existing Sewer Hook-Up Fee Tariff (the existing tariff only applies to new service connections made within that portion of the Company's CC&N known as Whitestone). The purpose of the hook-up fee is to apportion the costs of constructing additional facilities to provide wastewater treatment, effluent disposal and sludge disposal among all new service connections.

The Commission ordered that the filing be suspended through and including January 12, 2003 to allow Staff additional time to complete its review of the filing.

The Company stipulated to extend the suspension an additional two days so that this matter could be heard at the January 14, 2003 Open Meeting. The Company and Staff have also agreed that this matter should be referred to the Hearing Division and to request an order suspending this matter to allow the Hearing Division to consider this matter. The Hearing Division has indicated 90 days should be sufficient for its review of this matter.
